

GRIT SUMMER PROGRAMS RECRUITMENT IS UNDERWAY!

Recruitment for Future Plans' flagship program, the GRIT Summer Program for graduating high school students is in full swing this Spring. We are aiming to double our enrollment (**400+**) with the expansion to **6** training providers who will help students gain valuable skills that can lead to well-paid jobs in high-demand industries.

Future Plans is Thankful for the following Providers:

- ▶ Ashtabula County Technical & Career Campus (A-Tech)
- ▶ Shawnee State University
- ▶ Belmont College
- ▶ Rio Grande Community College
- ▶ Washington County Career Center
- ▶ Hocking College/Tri-County Career & Technical Center

The GRIT Summer Program empowers high school seniors by offering workforce credential certifications and internship/job placement opportunities immediately following graduation. We aim to provide students with short-term training and certified workforce credentials that align with sought-after industries, enabling them to be well-prepared for additional postsecondary education and training or a direct transition into the workforce.

Aviation

Cyber Security
