15.2 yrs

Average experience across Fullmind educators

7,000+

Certifications across our educator base

4.3/5

Student satisfaction scores

With Fullmind's Flexible Staffing Partnership, districts can easily fill teacher vacancies without the hassle of individual contract approvals.

HOW IT WORKS

1

Fill vacancies instantly

Submit a request for coverage—full year, semester, or per period. Pay only for what you use.

2

Complete Instructional Partner

Live instruction from state-certified teachers, aligned to your curriculum and tailored to your students' needs.

3

Seamless transition

If you hire a permanent teacher, simply end coverage. Our educator will help to make sure there's a smooth transition.

Fullmind **LIVE** Staffing Results

State-Certified Teachers • Live, Virtual Instruction • Customizable Solutions • Proven Impact

Dayton Public Schools, OH – 2024–25

46%

Greater Algebra I Gains

Fullmind-supported Algebra I classrooms gained 12.83 OST scaled score points, compared with 8.79 points for non-Fullmind classrooms.

33% Increase in Student Engagement

Student engagement increased from fall to winter.

Colleton County, SC – 2022–23

78%

Higher Pass Rate

44.7% of Fullmind students earned a C or above, compared with 25.1% of non-Fullmind peers.

Significantly Fewer Course Failures

Fullmind students were less likely to fail than their non-Fullmind peers.

1 Personalized Matching

Our team identifies educators tailored to your district's unique curriculum & requirements, ensuring a perfect fit.

2 Rigorous Screening

We meticulously screen educators to ensure they possess the expertise needed for exceptional instruction.

3 Seamless Integration

We ensure that educators are seamlessly integrated into your school's technology and systems.
